YARMOUTH, England, Aug. 17 .- Harry G. Hawker, who started from Southampton yesterday on a hyro-aeroplane tour of the coast of England and Scotland, but was taken ill when he arrived here in the afternoon after two short flights, is so seriously indisposed that he will have to give up the effort.

Notice is hereby given that a special meeting of the stockholders of the Keith-O'Brien company, a corporation, will be had and held at the office of said company, at its place of business, State street and Broadway, Sait Lake City, Utah, on Tuesday, the 26th day of August, 1913, at the hour of three o'clock p. m. of said day.

Said meeting will be had and held for the purpose of considering the advisability of amending the articles of incorporation, and, if deemed advisable to amend the said articles of incorporation in the following respects:

To amend Article VI of said articles of incorporation, so as to read as follows:

"Article VI. The amount of the capity

To amend Article VI of said articles of incorporation, so as to read as follows:

"Article VI. The amount of the capital stock of this company shall be \$50.000.00, divided into \$500 shares of the said capital stock shall consist of three classes as follows: \$500 shares thereof shall be known and designated as Class A preferred stock; \$2500 shares thereof as Class B preferred stock, and \$2500 shares thereof as common stock.

The holders of Class A prefeired stock shall be entitled to receive, when and as declared from the surplus or net earnings of the corporation, yearly dividends at the rate of \$ per cent per annum, payable semi-annually, on the dates to be fixed by the by-laws, or by resolution of the board of directors.

The dividends on Class A preferred stock shall be cumulative and shall be payable before any dividends on Class B preferred stock, shall be paid or set apart, so that, if, for any year, dividends amounting to \$ per cent shall not have been paid thereon, the deficiency shall be payable before any dividends amounting to \$ per cent shall not have been paid thereon, the deficiency shall be paid upon, or set apart, on the Class B preferred or the common stock.

Whenever cumulative dividends on the Class A preferred stock for all previous years shall have been declared and shall have become payable and the accrued semi-annual installments for the current year shall have been declared and the company shall have paid such declared cumulative dividends for previous years, and such accrued semi-annual installment upon Class B preferred stock shall be entitled to receive, when and as declared from the remaining surplus or net profits of the corporation, after the payment of the cumulative dividends and the accrued semi-annual installment upon Class A preferred stock shall be entitled to receive, when and as declared from the remaining surplus or net profits of the corporation, after the payment of the cumulative dividends and the accrued semi-annual installment upon Class A preferred stock shall be ent

num, and no more, payable semi-annually.

The dividends on the Class B preferred stock shall also be cumulative and shall be payable before any dividends on the common stock shall be paid or set apart, so that, if, for any year, dividends amounting to 6 per cent shall not have been paid on said Class B preferred stock, the deficiency shall be payable hefore any dividends shall be paid upon or set apart for the common stock.

Whenever all cumulative dividends on the preferred stock, both Class A and Class B, for all previous years, shall have been declared, and shall have become payable, and the accrued semi-annual installments for all the preferred stock for the current years shall have been declared, and the company shall have paid such cumulative dividends for previous years upon both classes of preferred stock, in the order aforesaid, and also such semi-annual installments thereon, as aforesaid, or shall have set aside from its surplus or net profits a sum sufficient for the payment thereof, as aforesaid, the board of directors may declare dividends out of the net profits

"Weakness" is the cause of more sortow and suffering than all other ailments combined. I see the victims of this disorder on every hand, his whole appearance proclaiming to the world his trouble and tending to blight his existence. My treatment cures disordered men by overcoming and removing the effects of disorders. It stops all waste and quickly restores the victim to what nature intended—a healthy and vigorous man, with all his functions and power complete.

Dr. Ehrlich's Famous Remedy IMPROVED

"**60**6"

For Blood Disorders. I use the newest and latest treatment for Blood Poison and Skin Diseases. Professor Ehrlich's (of Germany) "914," the improved 606, instead of the old remedy. "914" is absolutely safe and harmless and more effective than "606" and can be administered in the office painlessly and with absolutely no ill effects whatever or detention from business. This treatment is far superior to any other employed in the cure of this dreadful disease. Symptoms begin to disappear in a few hours after the administration of the remedy. Even though 606 has falled or left bad results, and if you have or ever had this disease in any stage or form, do not fail to call and get this wonderful treatment.
